## Pre-Conference Workshops

The Annual Conference will kick-off with three engaging workshops covering great topics.

Policy, Advocacy and Collaboration for Housing workshop will discuss current issues and possible solutions to the world of housing. Workshop attendees will take what they have learned to work through scenarios that will create new ideas and tactics.

How to Work With the Media is a great workshop for planners wanting to learn how to better interact with the media. These skills are great for educating communities on current issues as well as showcasing projects in your areas.

The third workshop will include a tour of De Pere's Historic Downtown and Cultural District. Learn about how the city strives to be a center for arts and culture while maintaining it's small town feel.

## CM Required Credits Available at Annual Conference

You can come away with a lot of great information at the Annual Conference including CM Credits! Five sessions are available for members to receive their required credits in Equity, Law, Ethics and Sustainability and Resilience in addition to receiving credits from other sessions.

### May 25 CM Credit Sessions

The Equity session will discuss FlexRide Milwaukee, an on-demand transportation to connect workers and jobs.

Receive 1.5 Law credit with the League of Wisconsin Municipalities session on recent legislation and law changes affecting land use.

### May 26 CM Credit Sessions

Wisconsin Initiative on Climate Change Impacts will be holding a plenary session on climate change its impacts in Wisconsin for attendees to receive their Sustainability and Resilience credit.

Another option to receive an Equity credit is to attend the Wisconsin Policy Forum session on planning for housing at the intersection of data, policy and collective impact.

To round out the conference, attendees can receive their 1.5 Ethics credit by attending the Ethics Jeopardy session.

## Green Bay Tours

APA-WI is proud to have Green Bay host the 2022 conference. A great community that has embraced its uniqueness and history to provide a wonderful place to live, work and play. Attendees of the Annual Conference will have the opportunity to go on four different tours around Green Bay.

### May 25 Tours

Green Bay is well known for being the home to the Green Bay Packers and Lambeau Field. Annual conference attendees can explore the newly built Titledown District, located to the west of Lambeau Field. An emerging mixed use hub for Northeastern Wisconsin.

The downtown area of Green Bay is a perfect example of when industry meets leisurely activities for residents and visitors. Attendees of this tour will take a walk around the downtown area to learn about the reinvestment initiatives.

### May 26 Tours

The ninth oldest amusement park in the country can be found in Green Bay.

Join us for a tour of the city's Bay Beach Amusement Park and Wildlife Sanctuary. Enjoy rides, trails, habitat exhibits and even some animal encounters.
