The Future of Zoning

There was a great turnout in late August for the for “The Future of Zoning” professional reconnection event and discussion at Working Draft Brewing Company in Madison.

A facilitated group discussion resulted in a lot of great questions and information sharing. The event was sponsored by APA-WI, in collaboration with AARP, Congress for a New Urbanism-Wisconsin and 1000 Friends of Wisconsin. Thanks to everyone who contributed to making this event a success.

Congratulations to Colleen Harris

Many Wisconsin planners know Colleen Harris, a longtime WisDOT leader, most recently responsible for the Northeast Region's transportation business and engineering operations.

Harris has now joined EXP as Regional Engineering Director, Infrastructure and Transportation and will be opening the firm's Madison, WI.
