

Traffic Calming Workshop

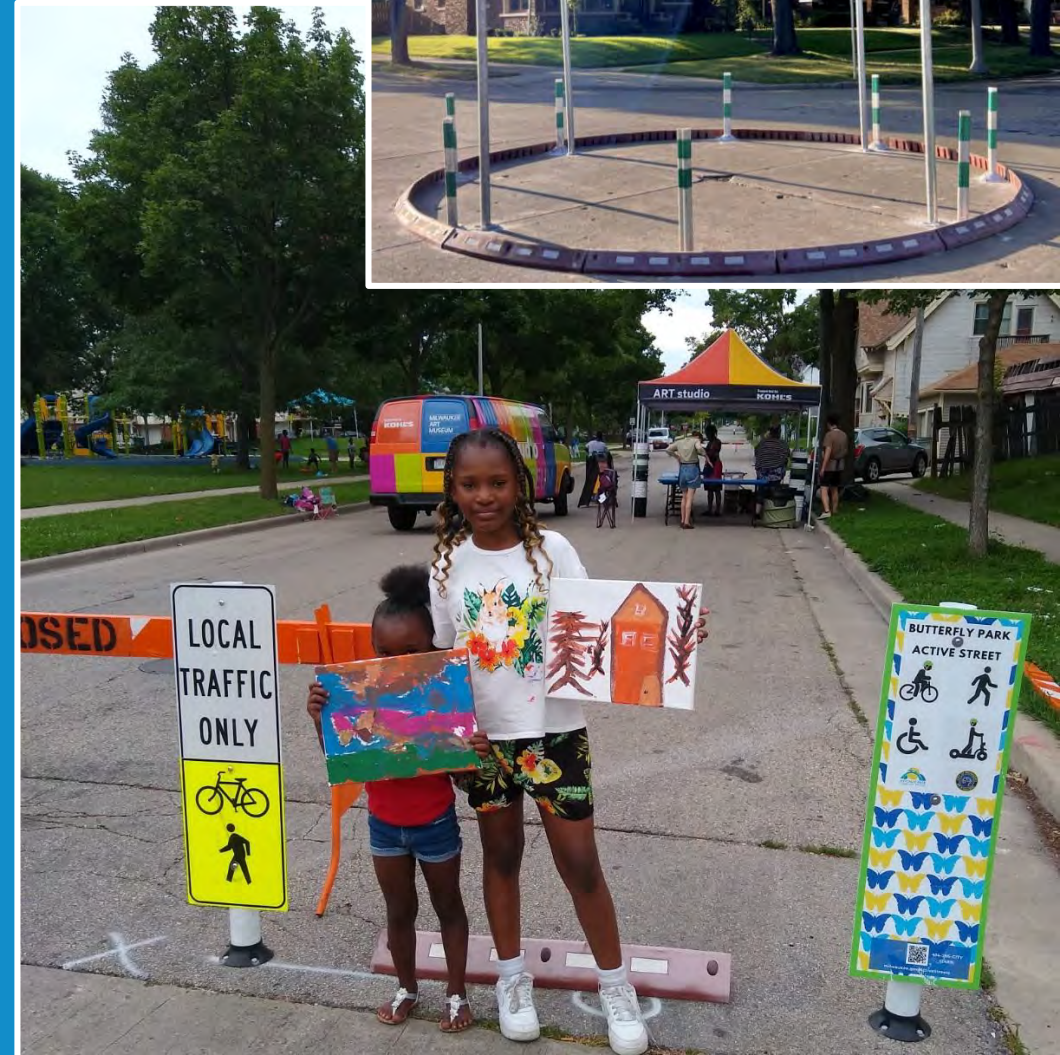

Kate Riordan & Mary Sizemore

City of Milwaukee – Department of Public Works

Active Streets

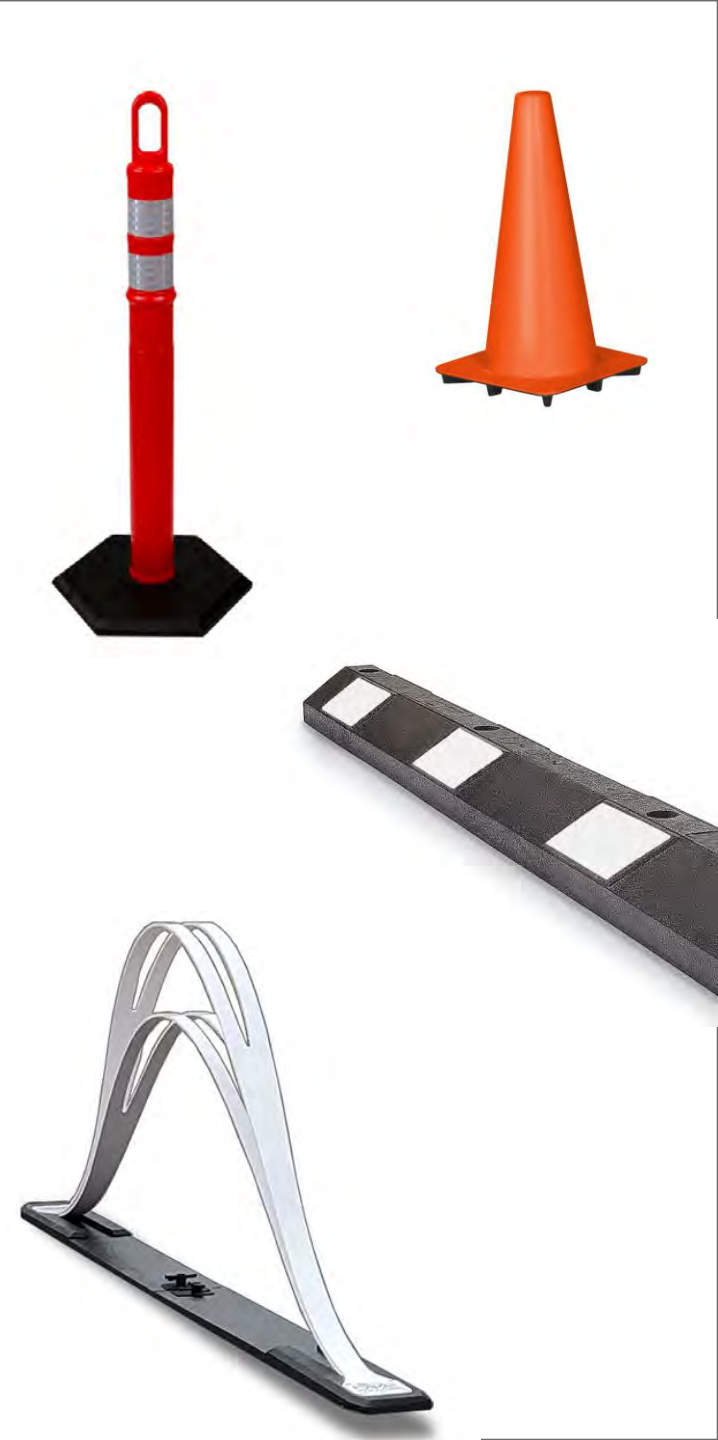

- DPW-administered grant program to local organizations
- Goals:
 - Program events
 - Incorporate art
 - Install traffic calming measures

Traffic Calming Lending Library

- \$12,000 AARP grant in partnership with Wisconsin Bike Fed
- Temporary tools to mimic traffic calming
- Expose residents to more than speed humps
 - Permanent changes can be requested through Neighborhood Traffic Management Program
- Currently testing at 3 locations for hours at a time
- Goal is for residents to be able to "check out" materials
